

### C of C Active On Aid For Airport Newest Project

State Agency and Local Post Representatives To Attend Next C of C Meet

The chamber of commerce started laying ground work this week for its newest project, improvement of the local airport.

At the last meeting, directors decided to compile all available information on the port from every source which might offer assistance.

The department of Commerce, Civil Aeronautics Administration and the State Improvement Commission promised assistance and representatives through letters, Mrs. George Young, chamber secretary reports.

W. M. Robertson, regional administrator of the Aeronautics Administration wrote, "Our airport advisory service should be able to render valuable assistance in your plan to organize a better program of maintenance and operation for your airport."

He asserted in the letter that office representatives would be present at the next chamber of commerce meeting and instructed the local group to contact Harold A. Wilde, District Airport Engineer, Miami. He suggested that representatives from that office could offer valuable information at the meeting.

Waldron F. Schanz, state aviation supervisor, included in his letter a brief sketch of the airport history as contained in the Commission's records.

The W.P.A. with use of state and federal funds constructed the field early in 1930, he reported. The commission's record of airport status was following World War II when the Aviation Division became interested and a permanent commission. At the time the local airport was absorbed into it.

### SCHOOL CHORUS GIVES PROGRAM AT LIONS MEET

The Belle Glade High School chorus, under the direction of Miss Marian Najarian, presented a musical program at the Lions Club meeting Wednesday in the Legion Hall.

Lions members elected R. E. Hotard, Herman Cook, Henry O. Earwood, W. Whitford, H. V. Drea and S. R. Roberts delegates to the state Lions convention today through Sunday in Jacksonville.

The chairman of the cattle ranch project reported that the club should purchase additional cattle since the pasture is in good condition.

### Shootin' Blanks

SHOOTIN' BLANKS  
HENRY O. Earwood, president of the Lions Club, had an electrifying experience Wednesday. It wasn't due to natural causes.

Earwood has the habit of silencing the Lions Club bell with his hand after striking it with the gavel. Several club members of the organization previously had observed this particular procedure of the president and decided to make something of it.

### GIRL SCOUTS TAKE CAMP TRIP TO SANIBEL ISLAND

Local Girl Scouts show their zest for outdoor living when they reminisce on open camp fires and all that went with them on a recent week-end camping trip at Sanibel Island.

They tell of picnic lunches, collecting shells, "snipe hunt" stories told around glowing fires and a hike to a nearby light house.

Local scouts who went on the trip are: Barbara Wedgeworth, Esther Friedheim, Jane Morris, Dorothy Mobley, Khaleah Vandewater and troop leaders, Miss F. L. Leubetter and Miss Betty Rich.

The mariner ship, "Sea Cloud," from West Palm Beach "roughed it" with them.

### Hub Spooner, Four Tourists Hurt In So. Bay Accident

Hub Spooner of Clewiston and four women from Miami and New Jersey were severely injured in a highway accident about six miles west of South Bay on SR No. 80 at 11 Sunday morning.

Estelle Mary Lopez, 51, of Miami, driving a Packard, struck the 1931 Oldsmobile driven by Hub Spooner while trying to pass another car traveling the same direction she was going. Spooner swerved to the side of the road in an effort to avoid being struck. The impact threw both cars into the pine tree hedge. Both vehicles were badly damaged.

Spooner suffered a fractured collar bone and bruises.

The driver of the other car, who was charged with reckless driving and causing an accident, according to Patrolman Valton Sheffield, suffered a dislocated and fractured right arm.

The three other elderly women passengers all from Atlantic City, N. J., and Miami were also injured. The 70-year-old Mrs. Ella Armstrong was the most seriously injured. She suffered skull, lacerations of the face and scalp and other injuries.

Kathryn Conway had lacerations of the forehead, bruises of the body and shock. Mary Conway also had lacerations and bruises of the body.

A head-on collision at the one-way bridge in Lake Harbor last week also caused minor injuries to several people who were passing the bridge.

A collision of two vehicles on the bend above Bean Bay last week resulted in some damage but no injury to the occupants. Patrolman Sheffield stated.

He also reported a rash of minor traffic violations within the last week such as driving without a license, drivers picked up 100 per cent of liquor, etc. in which no accident occurred.

### RDB DRIVE NEARS QUOTA DURING FIRST WEEK

Approximately \$500 in County Resources and Development Board memberships have been contributed during the first week of the drive here, Emmett Roberts, Glades RDB membership chairman, reported.

The amount in addition to \$350 which had already been turned in brings this section close to 100 per cent of the quota, Roberts says.

The drive will continue until the quota is obtained. Goal of the drive is to obtain as many individual memberships from the citizens as possible.

Those wishing to mail memberships should send them to Emmett Roberts here or to the RDB office in West Palm Beach.

### 441 ASSOCIATION TO SPONSOR MOTORCADE

An extensive motorcade to celebrate the new route planned for the summer by the 441 Highway Association, and a few dollars' worth of relief from the silence of a drowsy noontide lull and this is how they did it.

They just couldn't wait for July 4th for the party, so they gave it a preliminary, ignited fireworks around the vacant lot of the Legion hall. Through the big building, which encourages quiet reverberations of the explosions resounded.

### Provost Discusses Agriculture And Free Enterprise

Provost Wayne Reitz of the University of Florida, discussed learnedly and logically Agriculture's relation to free enterprise before a county-wide meeting of Rotary Clubs at the Legion Hall last Friday.

Dr. Reitz listed four freedoms as basic (1) Freedom of speech (2) Freedom to work or not to work (3) Freedom of occupation and (4) Freedom to invest capital.

Asserting that agriculture is the backbone of the preservation of the system, the Doctor pointed out activities of the 6,000,000 farms in the United States.

"One hundred years ago the average farmer produced food for himself and family and three others; today he provides for himself and 14 others," said Dr. Reitz.

"All the freedoms are a part of the farmer's life, and in addition, Pride of Ownership," the speaker continued.

Dr. Reitz was accompanied by Dr. Joe Breckenbaugh, Assistant Director of Experiment Station, Gainesville.

Breckenbaugh was associated at the local Station years ago, and was brought from Sarasota to the new job in Gainesville some time ago.

Red Mounts, our County Agent introduced the speaker as a co-worker and a long-time friend. The Staff of the Everglades Experiment Station were guests at the meeting.

The ladies of Rotary were in charge of preparing and serving the all-Glades dinner to the assemblage.

### Rashley Elected Post Commander

Jack Rashley was elected commander of Everglades American Legion Post 20 at the bi-monthly meeting Tuesday night in the Legion Hall.

Other new officers are: first vice commander, Lewis Kirkman; second vice commander, J. B. Jones; chaplain, Jack Hollingsworth; historian, Thomas Breger; secretary, Al Vadasz; finance officer, N. B. Williams; members of the executive committee, R. Y. Creech, Jr., N. B. Williams, Friedheim, Ed. Lively, Ralph Freeman, Thomas Breger and Sid Smith, Jr.

Jack Rashley and J. B. Jones were elected to the American Legion Corporation for three-year terms.

D. R. Kemper, R. Y. Creech, Jr., and Joe Friedman were chosen delegates and W. C. Young, Jack Rashley and Thomas Breger, alternate delegates.

The public is invited to the Convention April 19-22 in Tampa.

### GOLF TOURNAMENT AT BOCA RATON SUNDAY

The Boca Raton Lions and the Delray Kiwanis are combining Sunday the 22nd in a golf tournament to be held at Boca Raton beginning at 8:30 a.m. and continuing all day.

The charge for the days entertainment will be \$5 per person, and the proceeds will be used in the benefit fund of the two clubs.

The public is invited to come and enjoy the rare privilege of playing at Boca Raton. Glades golfers are especially invited by the boys running the show.

### FIRST BAPTIST BEGINS YOUTH WEEK HERE SUN.

Youth Week is scheduled April 22-29 at the First Baptist Church when more than 60 young people will take over leadership of the church for the period.

Adrian Rashley, who receives the title of leadership at 11 a.m. Sunday, will deliver the sermon as acting church pastor.

### Methodist Church Dedicated Monday

The Florida Conference Methodist Youth Camp, near Leesburg, was dedicated by Bishop Roy H. Short Monday, according to Rev. L. F. Vandewater, minister of the local Community Methodist Church.

Miss Mary Eleanor Kidder, local girl and student at Florida Southern College, furnished the music on the piano for the dedication service.

Summer program for the new camp is: Young People's Christian Adventure Camp, ages 12-14 years from the West Palm Beach District, July 22-28; Youth assemblies for young people 15 years or older, three camps, one assembly is July 28, to August 4, second assembly, August 4-11, and third assembly, August 11-18.

Young people of the lake region may register for any of these camp sessions.

A camp for older youth is scheduled August 18-25 to which one delegate from each Methodist church in the Florida Conference is sent.

Those wishing to enroll children for camp should obtain application blanks from Rev. Vandewater.

Construction started a little over three years ago on the Youth Camp and now the site has 43 buildings and is completely equipped. In addition to serving as headquarters for summer camp training sessions, the camp will be the site for many short meetings such as the Vocational Guidance Clinic, Workshop Workshop weekend and Recreation Leadership School.

WALTER HILLS TO SPEAK ON EX. STATION PROGRAM

Walter A. Hills, associate horticulturist, will speak on the Everglades Experiment Station's weekly radio broadcast over WSWN tomorrow at 11 a.m., discussing the work on the East Coast.

Hills, who is in charge of the Experiment Station's operations in the Lake Worth-Boynton area, will review briefly the progress of the work and discuss the current research program underway in the area.

### COTILLION CLUB WILL HAVE DANCE SATURDAY

The Cotillion Club, membership dance society, schedules its monthly dance this Saturday night from 10 to 2 a.m. at the Municipal Country Club. This will be the fourth function sponsored by the organization.

A five piece orchestra from West Palm Beach will furnish the music, according to Mrs. Bob Cameron, secretary.

### Livestock Show Opens Here With 98 Beef Entries

Quality Of Animals Higher Than Those Shown Here Last Year, Mounts Says

At the registration deadline for the Third Southeastern Florida Livestock Show yesterday entries totaled 98 beef cattle representing 11 counties.

Commenting on the cattle being shown, County Agent M. U. Mounts said that "although the number of cattle entered is a little under that of last year, the quality of the animals is far superior to cattle in the show last year."

Breeds included in the exhibit are: Brahman, Shorthorn, Hereford, Angus, Santa Gertrudis and the cross breeds, Charolais and Brangus. All breeds originally scheduled for the show are represented, except the Devon, H. L. Speer, assistant county agent, reports.

Winners in the 4-H boys judging contest were the Broward County team, first; Palm Beach County team, second; Okeechobee County team, third and Dade County team, fourth.

Individuals in the contest were: David Jesmine, first, Indian River; Bill Winchester, second, Palm Beach County; Victor Vele, third, and Walter Bateman, fourth, Broward County.

Judges in a similar contest for FFA boys had not completed awards by press time.

First day of the two-day show included: judging of Brahman classes with Dr. W. G. Kirk, vice president in charge of the Range Cattle Experiment Station, Ocala; 4-H and FFA judging contests; judging of Angus, Hereford, Shorthorn, Devon, Santa Gertrudis and cross-breed classes, under the direction of Dr. R. S. Glascock, husbandman of the Agricultural Experiment Station, Gainesville; and judging of 4-H and FFA cattle.

Today's program: 10 a.m. — Demonstration of selecting feeder and stocker cattle by J. A. McGreger, assistant extension animal industry.

10:30 a.m. — Fitting and Showing Demonstration by Oliver F. Goen, extension animal husbandman.

11 a.m. — Live beef cattle grading demonstration by L. H. Lewis, marketing specialist, state marketing bureau.

2 p.m. — Sale of fat cattle.

### DEFERMENT EXAM BLANKS AT LOCAL DRAFT OFFICE

Application blanks for taking college draft deferment examinations are now available at the local draft board office, according to Mrs. Max Glenn, secretary.

Sample examinations can also be obtained at the office, Mrs. Glenn says.

The applicant must fill out a suitable personal blank indicating the place and date he desires to take the examination. He will be notified concerning taking the examination later.

Sheffield is in charge of the hospital's walking blood bank.

### CLOSURE TAYLOR CREEK AND ORTONA LOCK IS SCHEDULED IN SUMMER

The U. S. Army engineers announce that Hurricane Gate No. 6 on Taylor Creek leading from Lake Okechobee to Lake Okechobee city will be closed during the approximate period of April 19 - May 7 when it will be de-watered.

They also report that the Okechobee Waterway proper at Ortona Lock on the Caloosahatchee Canal and River will be closed during the approximate period of May 11 - June 5 for painting and repairs.

They offer this notice that "navigation interests may be affected by the proposed movements through these waterways to encounter the least possible delay."

### Rail Car Problem Clears As Labor Supply Tightens

With the rail car shortage clearing these last two weeks, growers turn their efforts to obtaining sufficient labor, which is very scarce, to maintain their operations.

This week a peak of 779 refrigerator cars left the area, according to R. E. Hotard, FEC traffic agent. It is estimated that an adequate supply will continue to come in if unloading is taken care of at the destination.

But the labor situation is extremely tight. It's a tug of war between bean and corn growers now for workers, growers say. Wages are high, between \$4.00 and \$1 a hammer for beans and \$7.50 to \$10 a day for labor and \$7.50 an hour for packing house work.

Sweet corn, cabbage, celery, and mixed shipments lead this week. The supply of corn was heavy but the demand slow. The produce price of \$5.50 to \$2.50 fancy and for \$1.25 to \$1.50 for No. 2 grades.

The cabbage market is slowing down in volume and price. Celery this week were made up on order with prices \$1 to \$1.25. Celery had a good market which is getting stronger.

Valentines brought \$2 to \$4. Plaintiffs, \$1.75 to \$3.70 and Tender greens, \$1.75 to \$3.

Demand for peppers was good, bringing prices of \$1.50 to \$3 depending on size and quality.

Growers will start picking and processing some egg plant and tomatoes next week.

Rail loadings for the week ending April 18 were:

### R. S. BURR TO HEAD NEW METHODIST ORGANIZATION

A new organization of Methodist Men in the Community Methodist Church here has been chartered by Methodist's Council Board of Lay Activities in Chicago.

The local group will become one of 5,000 Methodist Men Organizations which are being planned to be organized by 1952, according to Chilton G. Bennett, executive secretary.

Purpose of Methodist Men, according to Mr. Bennett, is "to throw its entire strength behind the total on-going program of the church in these crucial days."

President of the local organization is R. S. Burr, and Hugh J. Bratley is secretary.

### Economy Key Note 1951 Legislature B. Elliott Says

Speaker of House Reports On Members and Attitudes In House Chamber

After two weeks of the 1951 Session of the Florida House of Representatives, keynote of the session appears to be economy.

The idea of economy and the resistance to tax pressure was established, I believe, not before the Legislature, but on April 3. The principal reason for that idea being uppermost in every House member's mind was in response to the determination on the part of the people of Florida to strenuously oppose any increase in taxes.

It is the hope of many members of the House, according to my observation, that we have at least reached the point in the state government where we can halt the ever-increasing burden of more and more taxes.

In addition to the temper of public opinion on the subject, I believe the organization of the House, composed of the people of Florida to strenuously oppose any increase in taxes.

It is the hope of many members of the House, according to my observation, that we have at least reached the point in the state government where we can halt the ever-increasing burden of more and more taxes.

The quiet and determined way the House members have gone about meeting the momentous problems facing them is a fine tribute to the people who elected them. I anticipate one of the most pleasurable experiences of my term as President of our outstanding group of legislators.

Second, the chairman of the committees are men of high ability who represent a finely balanced cross section of the state and its public opinion.

### CHERRY APPOINTED DIST. DEPUTY GRAND MASTER OF FLORIDA MASONS

J. R. Cherry was appointed District Deputy Grand Master of the 22nd Masonic District during the 122nd annual convention at Jacksonville Wednesday, according to a telegram from C. E. Maynard, grand master of the local lodge.

Cherry, who has been a member of the Grand Lodge of Florida since 1928, was elected grand master of the local lodge.

L. Trevette Lockwood, Palm Beach, was elected junior grand master of the Grand Lodge of Florida.

According to an Associated Press report, Cleveland R. Horne, Tallahassee, was elected grand master of Masons in Florida, Deputy Grand Master, St. Petersburg, and Secretary, George W. Huff, were reelected, the report said.

### PAR-TEE LINE

Country Club of the Everglades

Lake Worth lady golfers will be the local host, and a course here today. The match is part of the league schedule.

In the intramural ladies' golf tournament, M. G. Van Landingham defeated Miss Billy Weeks two and one in the championship flight.

Gothrith's Garage will sponsor the juke box for the Community Youth Center program tonight, according to Pro Joe Ziemann. Ziemann says that he has been unable to get in touch with all business concerns about sponsorship of the juke box for teen night programs.

Purpose of Methodist Men, according to Mr. Bennett, is "to throw its entire strength behind the total on-going program of the church in these crucial days."

President of the local organization is R. S. Burr, and Hugh J. Bratley is secretary.

## Bean City News

Mattie Jones, Townsboro, Reporter

The Fifth and Sixth Graders rendered a program and served the parents present with a fish fry last Monday night. Each parent expressed themselves as being pleased with the class work on display in the school and also complimented the principal for the fine work being done in the school. Mr. Allen McNaire was selected for the delegate to represent Bean City School at the District meeting in Fort Pierce on Saturday next. Our next meeting of our PTA will be Monday night. All Bean City is invited to be present. Bring or send your donation for our registration and expenses of the delegate.

The infant baby of Mr. and Mrs. L. J. Palmer was funeralized on last Sunday by Rev. Kenney. The W. C. Taylor Funeral Home had charge of the body. Interment was in the cemetery at Clewiston. The family has the sympathy of the community in their hours of grief.

The Bean City School is preparing a pageant on South America as part of their closing exercises. The pageant is colorful and will be an outdoor affair. Brilliant costumes, Latin music, and gaiety makes this a thing of beauty as well as an educational project. The date will be announced later.

## Mr. Cavalry Church

The Rev. S. M. Nelson, the progressive pastor of Mt. Cavalry Baptist Church celebrated his third anniversary last week as follows: On Wednesday night the Rev. E. Coffee, the pastor of Mt. Cavalry of South Bay had charge of the services. The Rev. W. Porter, pastor of New Bethel Baptist Church had charge of the services, on Thursday night. The Rev. S. Edwards, the Evangelist had charge of the services on Sunday afternoon. On Sunday afternoon, the Rev. E. J. J. came with another fiery message. The anniversary services were climaxed by a closing sermon by the Rev. Adams, the pastor of First Baptist Church of Belle Glade. He delivered a master piece of Gospel and Truth. In conclusion he restored Rev. Nelson to his former place in the pulpit with the blessings of God and the church to begin another year of service for the Lord and the building of His Kingdom on earth as it is in Heaven. The collection raised for the week was \$102.50, for which the pastor and members wish to thank the above churches, their pastors, and friends for services rendered.

The music for Sunday was furnished by the Junior and Senior choirs combined under the direction of Mrs. Ora D. Lee, Principal of Bean City School, who directs the choirs for Mt.

The members of Mt. Calvary served a delicious dinner on the grounds after the afternoon services Sunday. Many thanks to all who helped.

## St. Johns First Baptist Church

Mrs. Estelle M. Conyers, Reporter  
Rev. J. R. Adams, Pastor

Sunday school was opened at 9:40 a.m. with Supt. Shelly Pouncey presiding. Music was presented by Miss Leola Miller.

Subject of the lesson was, "The Period of the Patriarchs." Motto text: "I'm thy shield and thy exceeding great reward." Class Four still holds the banner for offering.

At 11 a.m. morning worship began with the processional of the choir, officers and ushers. Vocal devotional services were conducted by Dea. W. C. Taylor. Scripture lesson subject was, "The Beginning."

At 6 p.m. the BTU met with Sis. Irene Allen. A short program was given by the young people.

7 p.m. evening worship began with the processional of the choir, officers and ushers. Vocal devotional services were conducted by Dea. J. Thompson. A selection by the senior choir was followed by the consecration of palms in union.

The Pulpit Aid Club met at the home of Mrs. A. Feeder Sunday evening at 8:00 o'clock. The Home Mission Society met at the home of Sis. Rebecca Wilson on Tuesday evening.

Thursday night was general prayer meeting. Friday night the Supt. of the Sunday School teaches the teachers to attend their weekly meetings. To the members of the above named church, we have quite a few members on the sick list; please let us visit and pray for them.

## New Bethel Baptist Church

Rev. W. Porter, Pastor

Sunday School was opened at 9:45 a.m. with Supt. Sandy Kendall in charge. "The Period of the Patriarchs," was the lesson subject.

11:00 o'clock a spiritual devotional service was conducted by the Women's Home Mission Society.

BYPU was opened at 6 p.m. with the President in charge. The W. H. M. held their monthly service at 7:30 p.m. and on Monday. The W. H. M. met at the home of Sis. Georgia M. Douglas.

Sunday, April 22, the pastor and members will motor to Boynton Beach to render service for Rev. H. Harrington, pastor of St. John's Baptist Church there.

You are welcome to come and worship with us at our church services.

## Everglades Vocational High

Primary Department Presents

Operetta

The Primary Department presented its annual entertainment of the school year, "The Wedding of the Flowers," a one-act operetta. The little tots wore colorful costumes representing various flowers, as they sang and danced to different melodies. The tireless efforts of Misses Carter and Strozier, Messieurs Galloway, Harris, Weaver, and Reddick, primary teachers, accounted for the success of the play.

E. V. H. Glee Club Presented in Recital  
The Mother's Club of Lake Shore Elementary School presented the E.V.H. Glee Club, under the direction of Miss Fannie Payne, in a musical recital in the school auditorium on Monday evening, April 16.

The Negro Belle Glade All Star baseball team, members of the Florida East Coast Negro League, has started its spring schedule and will play the third game Sunday with the Ft. Pierce Dodgers at Poncey Park here located at 10th St.

Line up as pictured is (last row left to right): Thirtie, umpire, Willie James, M. Morgan, Johnny Lee Woodruff, Calvin, White Carson.

Second row left to right: Emanuel Ziegler, "Big 85", Johnnie Red, Willie Wilson, Morgan, Davis, Grover Jones, J. L. Murphy, manager.

First row left to right: Gene Hanna, Henry Woodson, Melvin Ceris, "Cat" Murphy, Sipeo, Bubba Rittley, Willie Davis, Junior Pote and Henry.

An appreciative audience enjoyed the classical and spiritual selections so beautifully interpreted by the chorus. Included on the program were three songs played by the rhythmic band, directed by Mrs. M. Evans.

The band is under the direction of Mr. L. Kirsey. The majorettes performed during the concert.

The fifth grade sponsors are Miss Shannon and Mr. Waldron.

The May Queen Contest terminated Friday morning, April 6, when all of the classes assembled to make their choice.

Much enthusiasm existed among the students, for they were waiting impatiently and eagerly to hear the sum.

When Mr. McCurdy walked in the auditorium to give the totals from each class and grade, a pin could have been heard if one had fallen on the floor, for there was a complete silence, a rapid beating of hearts, and listening ears as he proceeded to proclaim the candidate with the highest amount as May Queen.

Bernestine Edwards, from grade 4-A, under the sponsorship of Miss M. C. Edgemoor, was crowned during May Day activities which are scheduled for the 6th of May. Each class will receive a pin and the winners gold trophies.

Little Linda Evans, from Grade 1 won the title of Flower Girl, and will be presented a trophy too during the May Day activities.

Classes reported as follows: James, Rolle, Young's classes, Linda Evans, second highest \$120.53; Mrs. Addison's, Gloria Devaughn, \$50.00; Mrs. Singleton's, Ethel L. Flowers, \$35.41; Miss Porter's, Mary A. Allen, \$45.60; Mrs. Oliver's, Mary A. Carter, \$22.15; Mrs. Evans', Betty J. Collier, \$11.79; Miss Edgemoor's, Bernestine Edwards, \$11.79; Miss Jones', Eva May Lawson, \$27.02; Miss Shannon's, Carolyn Collier, \$22.75; Mr. Waldron's, Brian MacLendon, \$16.00; Miss

Palms, Mary Ellick, \$104.60; and Mr. Fitzgerald's, Zenobia Holmes, \$50.58.

The grand total was \$902.50.

**MANY THANKS**  
We—the principal, teachers, and students wish to thank our many friends, both white and colored, who made contributions to our various classes, and bought tickets for many of the activities sponsored toward this contest.

Without your help, we would not have been able to accomplish our goal for this school term. We are dependent upon you for the success of all our efforts, and thus far, you have shared with us and have helped us.

Our hats are off to you. Again, we thank you.

**Winners of Spelling Bee Contest**  
The finals for the Spelling Bee Contest of the Palm Beach County Schools were held at the Everglades Camp School, Mr. St. Elmo Greaux, principal, February 23 by the chairman, Miss Hazel St. Clair, in charge.

We are happy to announce that our school had two winners: Carolyn Collier, fifth grade won second prize; Zenobia Holmes, sixth grade, won third prize.

We hope to enter the contest next year with greater desire for first prizes.

It is often said that, "music is good for the soul." It was good for many souls on Monday evening when the Mother's Club presented E. V. H. Glee Club in a Musical Recital.

This group, which is composed of approximately sixty

voices, and which is under the direction of Miss Fannie Payne, was formally dressed for the occasion. The girls were adorned in pastel shades of evening dresses and the boys wore white coats and black pants. The reflection of the stage lights added much to the appearance.

Many beautiful numbers were rendered including spirituals and semi-classicals.

# FLORIDA NEARING THE HALF-MILLION TELEPHONE MARK

FLORIDA'S 470,000th TELEPHONE: Manager J. P. Evans has just presented it to Mrs. O. H. Thornburg following installation in her home at 335 S. Palminto Avenue, Daytona Beach. Little Miss Frances Thornburg appeared to think well of having a telephone, too.

Bell telephones serving Florida are approaching the half-million mark. The 470,000th was installed a few days ago in the home of Mr. and Mrs. O. H. Thornburg in Daytona Beach.

That telephone will mean a lot to the Thornburgs and it will mean a lot to their friends who want to keep in touch with them.

That's always true when a new telephone goes in: there are other people whose telephones become more useful and valuable because another friend, relative or business associate has gotten one. Yes, it's the other fellow's telephone that makes yours valuable, and there are now twice as many Floridians with telephones as there were just five years ago.

In spite of those 5 record years of expansion there's still a big telephone job to do in Florida. It took \$105,000,000 worth of expansion during the past five years, and it will take a financially sound telephone company to continue contributing its full share to the growth and progress of the State.

# ALL MERCHANTS SEEK EASE OPS CONTROL

All merchants doing less than \$5,000 annual volume should be entirely exempt from all provisions of the OPS price control order and general price freeze, it was urged recently by the Florida State Retailers' Association. The suggestion was dispatched to Price Stabilizer Michael DiSalle in Washington.

The State organization's appeal on behalf of smaller merchants was declared as free competition will keep prices in line in the several million small retail establishments in the United States. The message to DiSalle was signed by Lloyd F. Gahr, president of the Florida State Retailers' Association. "Our smaller merchants do not have the facilities to prepare the detailed records required under OPS regulations,"

Gahr declared. "We urgently suggest that the exemption be granted as soon as possible because there is great confusion among thousands of Florida's smaller merchants concerning the preparation and filing of pricing charts and the record-keeping involved. "No harm to the overall program of price stabilization will result from exempting smaller retailers from the charting, filing and reporting requirements of the order," the Association president added.

Beautiful to look at  
Beautiful to drive

Watch the little lady park the beautiful, big car... a single finger on the steering wheel can do it now, with Hydrguide!

## Now Hydrguide Steering does four-fifths of the work for you!

of the work

THINK of the easiest steering car you ever drove... then imagine one five times easier to steer! Chrysler's new Hydrguide power steering... regular on Crown Imperials and Imperial models... gives you exactly that. Here is by far the greatest single change in handling ease—and safety—you ever found in any car. At your touch on the steering wheel, the car mechanically provides four-fifths of the energy to turn the tires on the road. Like so much in these new Chryslers... Hydrguide is so basically new, so basically better than anything before, that only when you try it can you ever know what it really does!

#### LEGION AGAIN STARTS WORK ON THEIR HALL

The American Legion Post No. 161 of South Bay have again started work on their American Legion Hall on Canal St., facing the North New River Canal.

A cement floor was laid and the walls erected by volunteer labor during the summer of 1949. The fall hurricane badly damaged and practically demolished the walls so that the present work started with the rebuilding of the walls.

O'neal Walker, chairman of the building committee, states that they intend to rough in the framework of the building, roof it and put it into condition to use. Later as money is available they will finish the interior, put in the kitchen and snack bar and an office complete with equipment and furnishings.

The building is being made storm proof with a 20-year guaranteed roof, aluminum window frames, of cement block construction. It will be finished when completed with stucco on the exterior, plaster on the interior with glass brick trim and tiled floor.

They hope to have the building in condition for use by the first of June in time for their summer program of events and activities, he stated.

#### M. J. HARDY GOES TO FATHER'S FUNERAL TUES.

M. J. Hardy of South Bay was called to Vernon, Florida by the death of his father, Lewis Hardy, age 84, on Tuesday. Funeral services were conducted at the Baptist Church there on Thursday afternoon at 2:30 o'clock.

The elder Mr. Hardy was well known in the Glades as he had frequently made extended visits to sons and grandsons in South Bay.

Survivors are seven sons, Moses J. Hardy of South Bay, Milford D. Hardy of Miami, Albert L. Hardy and Dallas Hardy of Panama City, Millage C. Hardy of Ft. Valley, Calif., Chapel Hardy of Daphne Ala., and Laurie L. Hardy now stationed on Okinawa; and one daughter, Mrs. Ira D. Morrell, of San Francisco, California, 24 grandchildren and 13 great-grandchildren.

He was a native of Coffee County, Ala. He came to Florida at the age of eight and has been here continuously since then. He was a retired farmer at the time of his death.

## Here's where You come into your own

Once in a while, any man is entitled to let himself go.

He's entitled to that glow of pride that comes from feeling like the very important person that he really is.

He's entitled to take practical steps to make his dreams come true.

In short, he's entitled to own a ROADMASTER, and particularly a ROADMASTER as it is custom built for '51.

For this great automobile is more than big and roomy and distinguished in its styling.

It's more than sweetly willing in performance, and superbly poised in stride.

It does things to you, when you let yourself sink deep down in the subtle softness of its cushions, and run a caressing hand over the fine texture of its fabrics.

This is everything a fine car should be!

Of course, this brilliant performer is Fireball powered. It is cushioned by coil springs on every wheel. It provides, at no extra cost, the complete relaxation of Dynaflow Drive. It has durable and dependable sturdiness engineered into every mechanical part.

But the best is yet to be told. When you check the ROADMASTER price list, you'll find that the car of your choice can be yours for hundreds of dollars less than you'll pay for others with comparable reputation.

Come in soon and see this buy of buys in the fine-car field.

Equipment, accessories, tires and models are subject to change without notice.

Where better automobiles are built Buick will succeed & win
